# SCOUTS CAN EARN ★ ★ TAKE CARE OF TEXAS ★ ★ AWARDS

Texas is a beautiful state and we all have to do our part to preserve and protect it! Earning the **Take Care of Texas patch and pin** is an exciting, hands-on way for Scouts to learn about our environment and natural resources.

We've earned our patch and pin. You can too!

Any scout can earn a patch and pin by meeting the badge requirements and completing a service project.
