

# Conservation BINGO!

## Instructions

Cross off a square for each conservation task you complete. Share it with your friends and race to see who can fill their bingo cards first! Thanks for helping Take Care of Texas!

**Fix a leak at home**

**Use a recycle bin**

**Hang clothes to dry outside**

**Carpool with friends**

**Wash dishes in a full dishwasher**

**Identify native plants and trees**

**Find a water-efficient appliance**

**Ride a bicycle instead of driving**

**Wash clothes using a full washing machine**

**Take a shorter shower**

**Use a reusable bag**

**Collect fats, oil, and grease and put in the trash**

**Use a ceiling fan to cool a room**

**Use a reusable straw**

**Turn off lights when not in use**

**Pick up trash**

**Reuse containers like boxes and jars**

**Use a reusable water bottle**

**Find an energy-efficient appliance**

**Donate used clothes to others or charity**

**Program your thermostat to run efficiently**

**Use window shades to control sun in a room**

**Turn off tap when brushing your teeth**

**Unplug a power strip when not in use**
