

Conservation BINGO!

Instructions

Cross off a square for each conservation task you complete. Share it with your friends and race to see who can fill their bingo cards first! Thanks for helping Take Care of Texas!

Use a ceiling fan to cool a room

Fix a leak at home

Reuse containers like boxes and jars

Hang clothes to dry outside

Ride a bicycle instead of driving

Use a reusable straw

Find a water-efficient appliance

Use window shades to control sun in a room

Turn off tap when brushing your teeth

Carpool with friends

Collect fats, oil, and grease and put in the trash

Donate used clothes to others or charity

Wash dishes in a full dishwasher

Unplug a power strip when not in use

Pick up trash

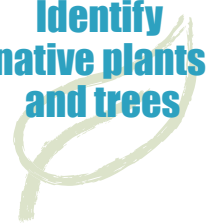

Use a recycle bin

Wash clothes using a full washing machine

Turn off lights when not in use

Identify native plants and trees
