Six students and one lucky teacher will win a tablet or laptop!

The contest begins January 4, 2021; entries must be postmarked on or before March 5, 2021.

TCEQ and the Texas Chemical Council invite K-5 students in Texas to submit their artwork showing how Texans can help keep our air and water clean, conserve water and energy, and reduce waste.

Prizes will be awarded to one student from each grade level, K-5. The grand prize winner will be chosen from the top six winners.

For more exciting details or to sign up for our e-mail list, visit TakeCareOfTexas.org/art-contest.
Who: K-5 students in Texas
What: Students submit a unique piece of artwork portraying positive ways to Take Care of Texas. The artwork must be two-dimensional and submitted on an 8.5”x11” piece of paper (landscape format is recommended). It must include the slogan “Take Care of Texas. It’s the only one we’ve got.”
When: Contest opens on Jan. 4 and closes on March 5, 2021. Winners will be announced on April 15, 2021.
How: Participants submit their artwork to TCEQ and each of the TCEQ’s regional offices will vote for the winner of each grade level. Of those six winners, one will be selected as the grand-prize winner. Visit TakeCareOfTexas.org/art-contest for mailing instructions.
Why: Students have the opportunity to learn about ways to protect the environment and share their knowledge with others. All winning designs will be showcased by Take Care of Texas and TCEQ.

See Contest Rules at TakeCareOfTexas.org/art-contest.

Prizes will be provided by The Texas Chemical Council
